

User Guide

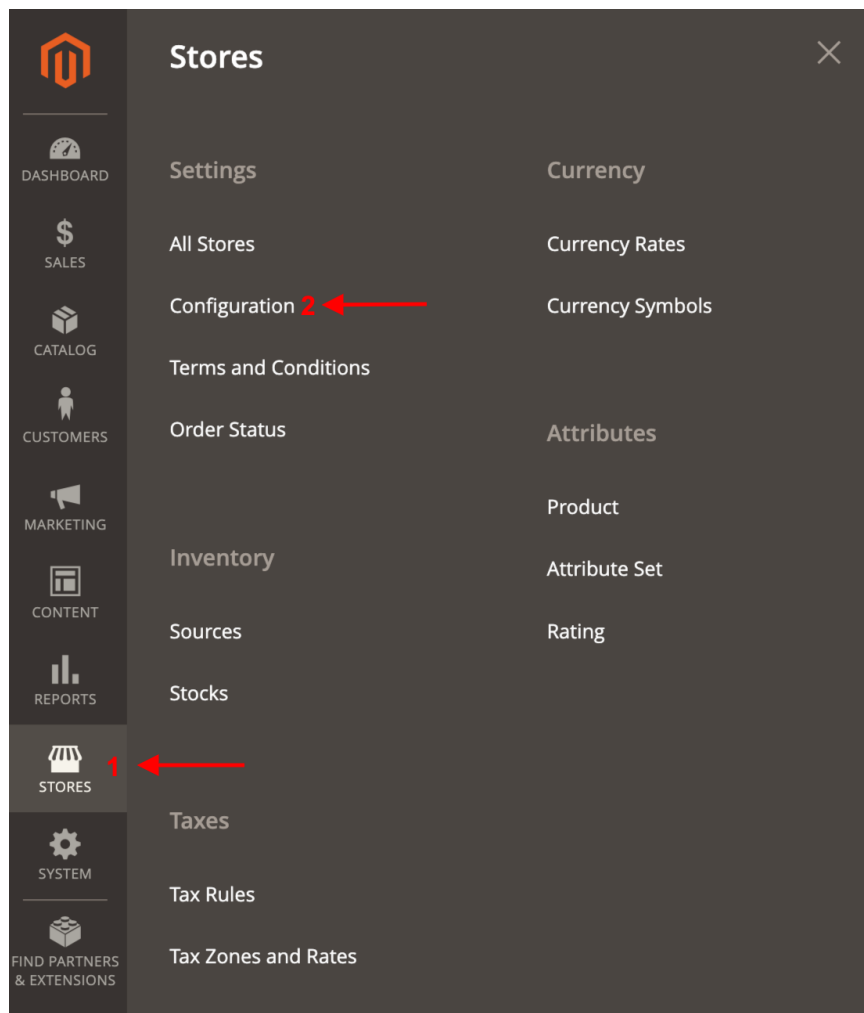

VComm_ProductLabel

Main Functionalities

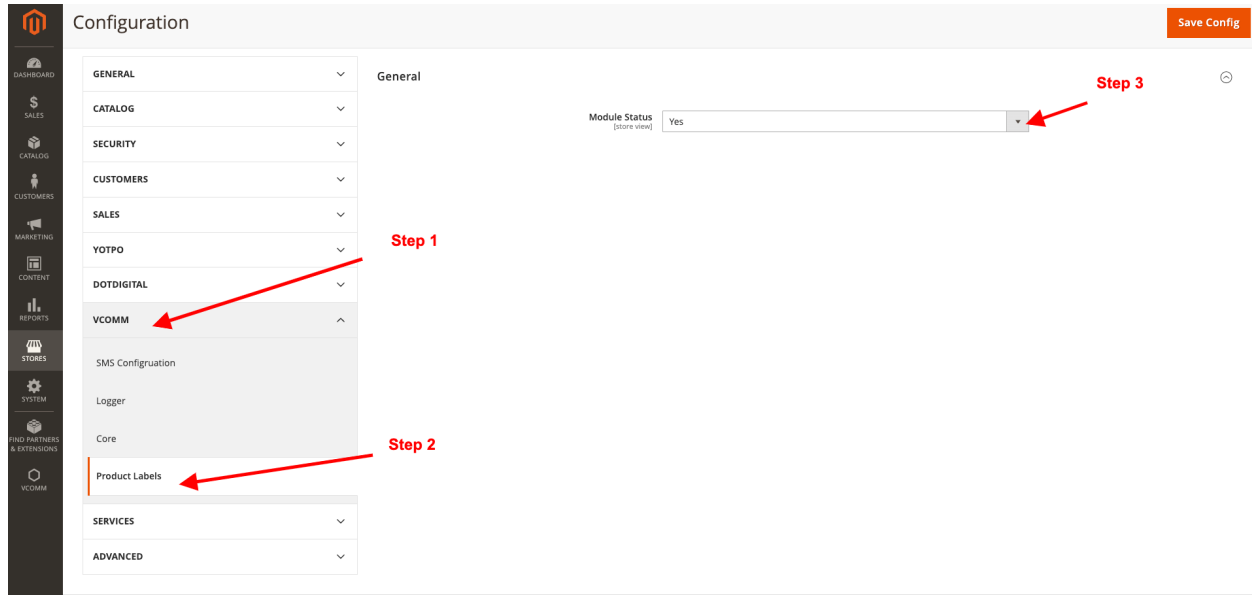

1. Admin can manage multiple labels from admin
2. Admin can add add a condition to apply label on products

Admin Dashboard

1. Login to **Magento Dashboard**
2. Go to **Stores -> Configurations**

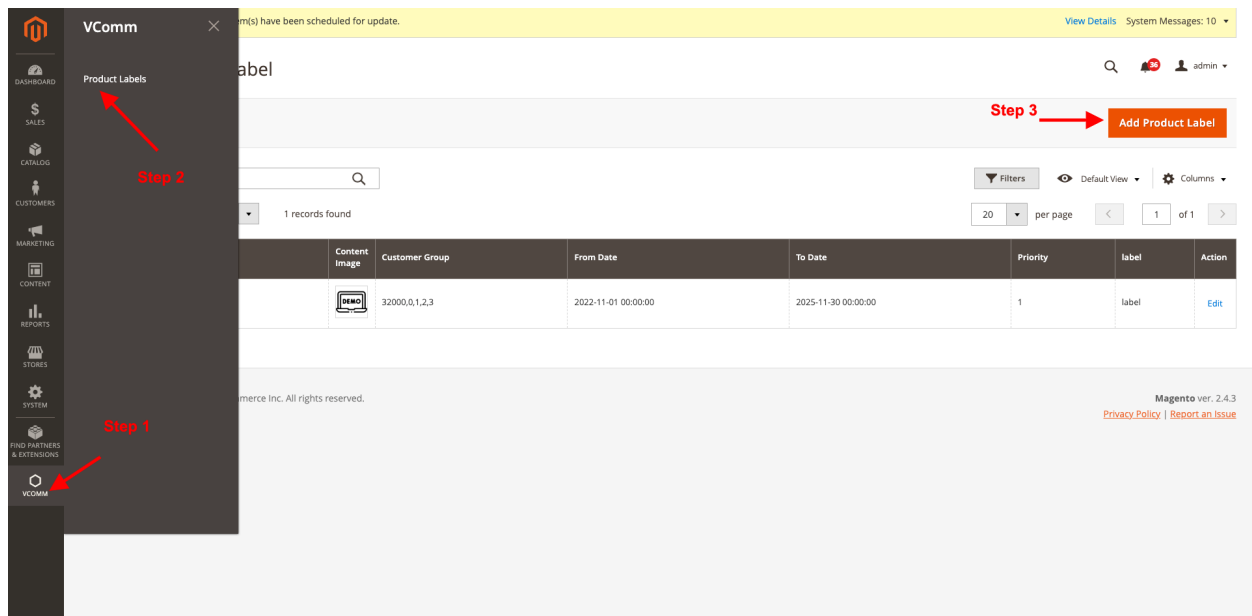

3. Open VComm Tab and Click on Product Labels

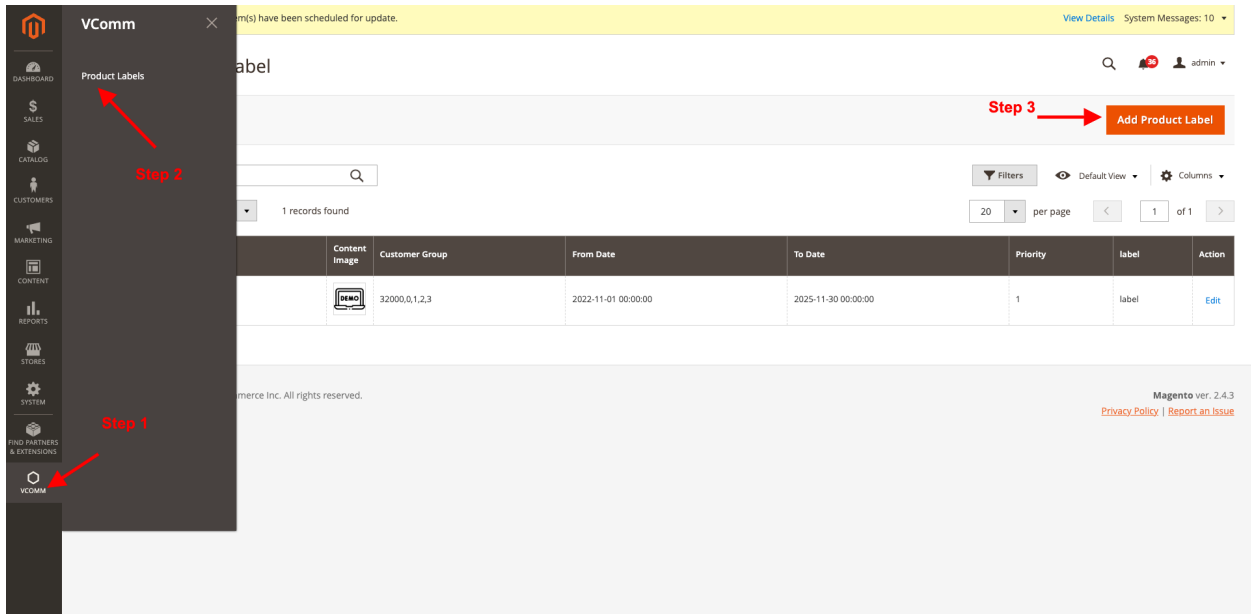

General

- **Enable Module** : Enable\Disable Module on Storefront.

Open VComm from the side bar and Open Product Labels and Click on Add Product Label.

Product Label Creation

- Add Title
- Select Customer Group for Label needs to show
- Set Status
- Add Validate time span for product label in From Date and To Date
- Set Priority of Label
- Add Product Condition for which product label should be show like categories, Sku, or Product Attributes

Product Conditions

Apply the rule only if the following conditions are met (leave blank for all products).

If **ANY** of these conditions are **TRUE** :

Attribute Set is **Bag**

Category is **one of 3, 4, 5, 6**

StoreFront

Product Listing Page:

- You can see Label on Product listing page

The screenshot shows a navigation bar with 'Test 1', 'Electronics', 'Beverages' (highlighted), and 'Medicine'. Below the navigation bar is a breadcrumb trail: 'Home > Beverages'. The main heading is 'Beverages'. On the left, there are sections for 'Compare Products' (1 item) and 'My Wish List', both indicating no items. A 'Sort By' dropdown is set to 'Position'. A 'CHRISTMAS SALE' banner is visible above a product placeholder. The product name 'Tom Ford Black Orchid' and price '\$100.00' are displayed below the placeholder. At the bottom right, there is a 'Show 12 per page' dropdown.

Product Detail Page:

- You can see Label on Product Detail page

The screenshot shows the product detail page for 'Tom Ford Black Orchid'. The navigation bar is the same as the listing page. The breadcrumb trail is 'Home > Beverages > Tom Ford Black Orchid'. A 'CHRISTMAS SALE' banner is present. The product name 'Tom Ford Black Orchid' is prominently displayed, followed by the price '\$100.00' and 'IN STOCK'. The SKU# is 'Tom Ford Black Orchid'. Below the price, there is a 'Qty' input field set to '1' and a blue 'Add to Cart' button. There are also links for 'ADD TO WISH LIST' and 'ADD TO COMPARE'. A large product placeholder image is shown on the left. At the bottom, there is a detailed description of the fragrance.

1. Tom Ford Black Orchid is a luxurious and sophisticated scent that captures the allure of the iconic black orchid. 2. This captivating fragrance features top notes of French jasmine and black truffle, middle notes of ylang-ylang and bergamot, and base notes of sandalwood and patchouli. 3. Tom Ford Black Orchid is the perfect scent for any occasion, from a night out on the town to a romantic evening in.
